**The North County Country Dancers** is a group of men and women who love country music and dancing.

The group is notified (usually by email) when there is a country band playing in the area. When the group gets the email they decide if, and where they would like to meet. There is no commitment, just an opportunity for people who share the love of country music to get together, dance and have a great time.

If you are interested in joining, or would like more information on the North County Country Dancers fill out the form below, sign up at: [www.ACountryConnection.com](http://www.ACountryConnection.com) or call Christi at 760.751.2814
